SMOKIN' IN THE MOUNTAINS

Busey Brews is locally owned and operated!

In the fall of 2019, Kyle and Janice Busey acquired this smokehouse with the inspiration and motivation to make it sensational. Kyle's brother Nick came on board to kick the brew system into high gear, while parents Kim and Buzz lent their design and woodworking skills to help create the cool and casual dining environment you are now enjoying.

With over three decades of restaurant and hospitality experience, the Busey's and their amazing staff have a passion for delicious food, craft beer and excellent service. This team has ignited the Busey Brew's dream. Also, The Busey Brews For Good program has raised over \$10,000 for local and global charities since its' inception in 2019.

Our smokers run 24-hours a day to ensure the freshest smoked meats and tofu are delivered to our customers. All of our beer is brewed on-site, from crisp ales and IPAs, to malty browns and stouts.

Thank you for visiting us today!
